

experience			<div>Diego O'Farrill Assoc. AIA</div> <div>ARE Licensure Candidate - 3 out of 6 exams completed as of April 2025</div> <div>+1 (480) 544-4468 d.ofarrill@yahoo.com</div>		
2021	-	current	<div>Adaptive Architects Lead Designer/Project Manager</div> <div>Managed architectural projects from concept to completion, both independently and collaboratively, including design development, construction documentation, and construction administration. Experience includes public, civic, and recreational projects with a strong focus on coordination, detailing, and community engagement.</div> <div>Mesa City Hall:</div> <div>Co-led the design of the Mesa City Hall and Council Chambers expansion, shaping an aesthetic vision rooted in the Sonoran Desert. Oversaw the project from programming and site analysis through construction documents, coordinating closely with the landscape architect and interior design team to ensure a cohesive design language inside and out.</div> <div>Mesa City Hall Tower:</div> <div>Led tenant improvement projects for four floors of City Hall Tower, managing all phases from design development through construction administration. Collaborated with MEP consultants to ensure effective systems integration and construction coordination.</div> <div>Tolleson Aquatic Center:</div> <div>Led the design of on-site structures and interiors for a public aquatic facility, assisting with overall site planning from programming through construction documents. Collaborated with MEP consultants, aquatic designers, and a special systems team, and worked closely with the structural engineer to develop a distinctive roof form. Supported value engineering efforts without compromising the core design vision. Also supported the city in establishing operational standards now adopted city-wide.</div> <div>Litchfield Park City Center Park:</div> <div>Led the design of key park structures, including two restroom buildings, an amphitheater, and a memorial clock tower. Managed the project from early concept and stakeholder meetings through construction administration, ensuring quality execution and alignment with community goals. Worked closely with contractors and fabricators to align design intent with construction methodology.</div> <div>Litchfield Park Scout Lodge:</div> <div>Directed programming, community outreach, and design proposal development for a proposed Boy Scouts lodge. Acted as liaison between city officials and community stakeholders to align design with both civic and public interests; project remained in conceptual phase.</div>		
2020	-	2021	<div>ORB Architecture, LLC Job Captain</div> <div>Coordinating and designing multi-family and senior living projects, creating construction documents using Revit, Dynamo, and AutoCAD. Assisted in design development for various proposals in SketchUp and Revit.</div> <div>Key Projects: Aura Uptown, Broadstone 7th St, Clarendale Arcadia</div>		
2019	-	2020	<div>Todd and Associates, Inc. Job Captain</div> <div>Assisted in the design and preparation of construction documentation for several high-density multi-family project proposals. Involved in the process from design development through to the finalization of construction documents utilizing AutoCAD, SketchUp, and Revit.</div> <div>Key Projects - Compass Church, Solstice of Mesa, 19th Ave and Alameda, Bishop Lane Concept</div>		
2017	-	2019	<div>Big Red Rooster, JLL Job Captain/Junior Project Manager</div> <div>Developed construction documents and renderings for retail and restaurant projects, including national fast food chains, using AutoCAD. Led consultant coordination, handled multi-state city submissions, and served as interim project manager during a team transition.</div> <div>Key Projects: Five Guys Corporate and Franchise</div>		
education					
	spring	2017	<div>University of Arizona - College of Architecture, Planning, Landscape Architecture Tucson, AZ</div> <div>Bachelor of Architecture</div> <div>Thesis: The Paret - Merging typologies to solve Urban Density problems in Mexico City</div>		
	fall	2016	<div>Architecture Focused Study Abroad Orvieto, Italy</div>		
	spring	2016	<div>Drachman Design Build Coalition Studio 7 - The Sentinel House Tucson, AZ</div>		
	fall	2013	<div>Semester Urban Design and Architecture Project Seattle, Washington</div>		
proficiency					
		● ● ●	Programs	-	Revit, SketchUp, Adobe Suite, Rhinoceros, Lumion, Enscape
			Skills	-	Construction Documents, ADA Design, Biophilic Design, 3D Printing
			Language	-	English, Spanish
		● ● ○	Programs	-	Dynamo, Grasshopper, Unreal Engine 5 (UE5)
			Skills	-	Digital Fabrications, AI Design Workflows, Structural Design
			Language	-	Italian
		● ○ ○	Programs	-	V-Ray, Maya, 3ds Max
			Skills	-	Construction Administration
			Language	-	Italian
recognitions					
	2025	<div>Arizona Real Estate (RED) Awards</div> <div>Recreation and Public Works Project of the Year - Mesa City Hall</div>			
	2019	<div>Association of Collegiate Schools of Architecture Design-Build Award </div> <div>2019 Design-Build Award - Sentinel House</div>			
	2016	<div>Bank of America Merrill Lynch Low-income Housing Challenge</div> <div>2nd Place Nationally</div>			
	2015	<div>U of A 24/7 Technical Support (UITS)</div> <div>Customer Service Award</div>			
	2012 & 2013	<div>University of Arizona</div> <div>Dean's List Recipient</div>			
	2012	<div>University of Arizona College of Architecture (CAPLA)</div> <div>CAPLA Foundation Studio Leadership Award</div>
